## EDUCATION

Three-year university degree in web app, mobile app development and gaming, equivalent:  
**Bachelor of computer science UK (2018 – 2021)**  
**UVS (virtual university of Senegal)**

The formation is not finished yet due to the coronavirus but with the work ethic I have had these three years I have acquired the necessary competence for the diploma.

French technical secondary school diploma equivalent: **BTEC NATIONAL DIPLOMA UK (2016 – 2018)**  
**Lycée technique d'Industrie Maurice Delafosse**

General Mechanic, electricity.
